Subject: Randall Carver"s call timeliness report
Date: Tuesday, February 20, 2024 11:01:39 AM

Hi Don,

Here is Randy's call timeliness report from last week:

Randy met expectations **64%** of the time. It looks like 3 days in a row last week he called his 1:30pm call late, so I am not sure if he's running late from lunch or what's going on there – but figured I'd mention it!

Thanks,

Cherykee Humphrey
