Hello Melissa,

You're off to a great start. You had 18 calls for week ending 3/4/2024, with only 1 cancellation, a 5.6% attrition rate. Last week there was only 1 cancellation out of 22 calls for an attrition rate of 4.5%. Overall, it looks like you're doing really well. I hope you're enjoying it so far.

Have a great weekend!

Regards,
